APRIL ANNOUNCEMENTS

- We are excited to add a new class *Full Body H2O* on Tues/Thurs mornings in the lap pool at 7:30am.
- All other classes remain the same.
- We offer a waitlist for classes that are full. If you get a message that you are on the waitlist, please be sure to check your email BEFORE you come to see if you have been added to the class.
- Please do not come to class unless you have a verified confirmation.
- Please be very careful when you sign in; give the system time to register your request. If you hit the reserve button twice the system will cancel you.
- It is imperative that you arrive on time for class. It is for your safety that we must ask members to not join a class after the first 10 minutes.

CLASS DESCRIPTIONS

ALL LEVELS: FUN FOR EVERYONE

FIT & FUN FOR ALL: An invigorating and fun class with an emphasis on improving your cardiovascular and muscular endurance. This is a medium-impact, moderate intensity exercise program that incorporates a total body workout and includes cardiovascular conditioning, muscle toning, abdominal exercises and stretching. Participant exercises at his or her own individual pace.

POWER PLUNGE: This is a medium-impact, moderate-intensity exercise program that incorporates a total body workout and includes cardiovascular conditioning, muscle toning, abdominal exercises and stretching. The class is fast and fun, while allowing each participant to exercise at his or her own pace.

FULL BODY H2O: This is a medium-impact awesome cardio workout. Class participants will use various equipment to build core strength and stabilization. The class features exercises that move from large muscle groups to cardio actions through the water, focusing on total body conditioning. The class is fast and fun, while allowing each participant to exercise at his or her own pace.

LEVEL 1: BEGINNER

WATER WALKING: This class is for all new water fitness participants, teaching basic water walking moves which serve as a foundation for water fitness. This class is highly recommended for new water exercisers, individuals with special conditions, post rehab and pregnant women. Participant exercises at his or her own pace.

LEVEL 2: INTERMEDIATE

AQUA DETERMINATION: This is a low-to-medium impact, yet awesome, cardio workout. Class participants will use noodles and dumbbells to build core strength and stabilization, and engage in exercises that move from large muscle groups to cardio actions through water, focusing on total body conditioning. The class is fast and fun, while allowing each participant to exercise at his or her own pace.

AQUA CARDIO MONDAY: This is a low-to-medium impact, yet awesome, cardio workout. Class participants build core strength and stabilization, and engage in exercises that move from large muscle groups to cardio actions through water focusing on total body conditioning. The class is fast and fun, while allowing each participant to exercise at his or her own pace.

LEVEL 2/3: INTERMEDIATE TO ADVANCED

HYDRO FIT: This is a medium impact awesome cardio workout. Class participants will use noodles and dumbbells to build core strength and stabilization, and engage in exercises that move from large muscle groups to cardio actions through the water, focusing on total body conditioning. The class is fast and fun, while allowing each participant to exercise at his or her own pace.

LEVEL 3: ADVANCED

CARDIO DEEP: This is a zero impact, high-intensity aerobic conditioning class that is combined with higher intensity resistance exercises that is located in the deep end of the Lap Pool. It employs buoyant equipment, dumbbells and other apparatus to combine cardiovascular training, total body conditioning and core strengthening. This class is not recommended for new exercisers, post rehab or pregnant women.
