TIME WARP
SUMMER CAMP
2026

Bending Time, Building Memories

ROWAN-CABARRUS YMCA

the YMCA

SPECIALTY/SPORTS CAMP

8-12 years old

Specialty camp is a more specialized camp experience with specific interests in mind that campers will love to explore and expand their knowledge of. All activities are geared towards their specialty topic. Activities include, arts and crafts, games, performances, science/STEM, cooking, and more! All specialty campers will have one field trip a week along with one swim day during the week.

Specialty camps have limited spaces in order to keep within a ratio of: 1 staff : 15 campers

WEEKLY CAMP

- YMCA Members: $200 per week
- Non-Members: $300 per week

Payments are due 5 days prior to each camp week. (The Wednesday before week attending)

To receive the member pricing, your child must have at least a Youth Membership at the time of registration and maintain it throughout the program. If the membership is canceled for any reason at any point, the pricing will revert to non-member rates.

REGISTRATION

- The required one time, non-refundable administration fee per camper is $30.
- Go to www.rocabymca.org to locate summer camp registration forms for the West Cabarrus YMCA.

CAMP DEPOSITS

- A non-refundable $25 deposit is required for each week.
- Deposits may not be transferred from week to week.

CANCELLATION

- All cancellations must be submitted through our online form or to the youth director 10 days prior to the 1st day of the camp week, failure to submit this in time will result in the full weekly amount being drafted.

FINANCIAL ASSISTANCE

- Financial support is provided in part through contributions to the Rowan-Cabarrus YMCA Annual Support Campaign.
  Please obtain a confidential Open Doors application on-line to apply for financial assistance.

DAYS & TIME

- Tuesday, May 26 - Friday, August 11
- Times for all camps: 7am - 5:45pm (With last pickup by 6pm)
- Drop Off is 7 am - 9am
- Campers must arrive by 9am so they may begin their fun without interruption.
  Pick up is from 4pm-5:45pm (With last pickup by 6pm)

Please drop off and pickup at the bottom of the hill.

SPECIALTY CAMP DESCRIPTIONS

Week 7

- Lights, Camera, Action: A filmmaking camp focused on creativity, storytelling, and bringing your own movie to life.
- Robotics Camp: Campers will explore robotics through hands-on building, coding, and teamwork challenges.
- Junior Lifeguard Camp: Campers will explore the Junior Lifeguard Program with our Associate Aquatics Director to learn new skills in the pool and basics of being a lifeguard.

Week 8

- Dance Camp: Campers will explore movement, rhythm, and self-expression through fun and creative dance activities.
- Spy Kids Camp: Campers will crack codes, solve puzzles, and complete challenges that build logic, creativity, and teamwork.
- Cooking Camp: Asian Cuisine: Campers will discover Asian recipes and practice cooking skills while collaborating on fun culinary projects.

Week 9

- Music Camp: Campers will explore rhythm, instruments, and music-making while expressing their creativity and building confidence.
- Dino Detectives Camp: Campers will explore dinosaur facts, complete challenges, and work together to solve exciting prehistoric mysteries.
- Animal Kingdom Camp: Campers will explore different species, learn about habitats, and engage in interactive activities that bring the animal kingdom to life.

Week 10

- Fiber+Fabric Arts Camp: Campers will practice fiber arts techniques and collaborate on creative projects that showcase their imagination.
- Space Camp: Campers will explore astronomy, space science, and missions through fun experiments and collaborative activities.
- Cooking Camp: Baking: Campers will learn basic baking skills, experiment with recipes, and work together to create tasty treats.

Week 11

- Pottery Pals Camp: Campers will practice pottery techniques and collaborate on creative projects while building confidence.
- Digital Marketing Camp: Campers will develop creative campaigns, design digital content, and collaborate on projects that showcase their ideas.
- Geoquest Camp: Campers will investigate rocks, gems, and natural wonders through hands-on activities and outdoor adventures.
